

*In loving memory...*

Beloved wife, mother, dancer, teacher, mentor and friend:

Bonnie Jeanne Lavric began her study of dance with Louise B. Harrison in Pennsylvania and continued as a dance major at The Ohio State University. She danced at DDC&G for 16 years and taught for six – primarily Creative Dance classes for 3 - 5 year-olds, who loved her energy and ready smile. Bonnie became very interested in yoga and started teaching at DDC&G, with a loyal following. She played many character roles in the June performances, adding her special style to each. Bonnie touched many lives at DDC&G and everywhere she went. She is an inspiration, and it is a privilege for us to celebrate her spirit.

### *The Bonnie Lavric Memorial Scholarship*

Parents and students of our DDC&G family have asked how to honor Ms Bonnie's memory. Ken Heigel, father of students Molly and Sarah, suggested a memorial scholarship. DDC&G is very pleased to facilitate this fund in memory of our beloved Ms Bonnie.

The scholarship will be given to a senior dance or gymnastics student, and awarded each year at the June performance. The award is intended to help defray college expenses, regardless of the student's course of study.

A committee of parents, led by Sino Lavric, will set the criteria and application process, and select each year's recipient. Committee members will change annually. Parents interested in serving on this committee - other than parents of rising seniors - should contact the office.

Donations will be collected in the DDC&G office, and may be made by cash or check (payable to The Bonnie Lavric Scholarship Fund). DDC&G will deposit all donations into a special account named for Ms Bonnie.

Sincere thanks to Mr. Heigel and to all those who choose to donate.
