Costume Change Instructions- June Show

Please let the office know if your child has a costume change! Even if you know they can change themselves, it is helpful to have an accurate list. Our staff will make sure all students are changed on time and ready in-time for stage!

Please use the following instructions to help the change go smoothly:

Students should wear their first costume to the theater.

Put subsequent costumes and all accessories (tights/shoes/headpieces) in a garment bag (or clear trash-bag) on a hanger. If you're using a trash bag, please put accessories in a Ziploc bag and attach to the hanger.

Attach a "Costume Change" form to the outside of the bag. (forms available in the office)

Please write your child's name on EVERY piece of the costume, on their tights, on their shoes, on any headpiece....everything!

Costume Pick-up and Care

Between rehearsal and show...PLEASE check your costume bags. For hygiene reasons, please unroll and rinse tights that night and re-organize the costume and pieces for the show.

If you need to replace the Costume Change form, there are extras at check-in.

If you have any questions, please contact the office! office@dublindance.com
