Re: The Nutcracker 2018 Performance / Excused Absence

For: _____

Please excuse the above named student from school on _____.

We ask our NUTCRACKER dancers to miss a day of school so they may share the joy of dance with school-age children during the holiday season. We at DDC&G feel these performances provide a valuable community service to school children who may not ordinarily have these artistic experiences.

Dublin Dance Centre & Gymnastics NUTCRACKER dancers range in age from six to eighteen. These dancers have the opportunity to perform at Columbus area schools, retirement communities and public performances throughout the holiday season.

If you have any questions or concerns, please contact Dublin Dance Centre & Gymnastics at (614) 761-2882.

Thank you
